We seek to appoint a suitably experienced and enthusiastic cover supervisor to deliver set work within the classroom environment.

This post would suit a candidate who is passionate about delivering a quality education to our students. You will be supporting a group of teaching professionals who have set curriculum work for their lessons but who are unavailable to attend specific classes. You will be able to help enthuse our well behaved and eager to learn students to work with those set materials.

The role focuses on delivering set lessons to students within a classroom environment over the whole Academy curriculum, although where possible there is a distinct advantage in focusing candidates in their particular area of interest or aptitude.

We are very proud of our students and staff so this is an exciting opportunity to join our friendly and inspirational Academy.

You will have the benefit of classrooms which are fitted with the latest equipment to deliver excellent lessons.

If you feel that you have the ability and drive to support our lesson delivery and to enable our students to reach their full potential, joining our Academy also offers many personal benefits including:

- a strong commitment to your continuing professional development and training opportunities
- close, convenient links to the M1 junction 28, Nottingham, Derby and Sheffield
- close access to the peak district, national park and popular historical sites
- A supportive environment in which your talents will be encouraged, nurtured and rewarded

The Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Therefore, the successful candidate will be required to undergo an enhanced DBS check and other vetting procedures including the provision of two good references.
